

FALL 2017 PROGRAMS

August 28-December 22

Parent/Child
Center

Temple Beth Sholom

**AFTER SCHOOL
ENRICHMENT**

Temple Beth Sholom

August 28-December 22

RIE BRED

(3-9 months) **Mondays** | 9:30-11:00 am

(18-24 months) **Mondays** | 11:30 am-1:00 pm

(10-18 months) **Tuesdays** | 11:30 am-1:00 pm

RIE® encourages basic trust in the child to be an initiator, explorer, and a self-learner in a physically safe, cognitively challenging, and emotionally nurturing environment. Your child will engage in uninterrupted play while you and other parents will develop sensitive observation skills that will help you better understand babies' needs. You will read babies' cues, learn to intervene and, most importantly, when not to. Lisa Chariff Better is a RIE® Certified Parent-Infant Guidance™ class facilitator. See www.riemiami.com.

BOUNCING BABIES

(6-12 months) **Mondays** | 12:30-1:30 pm

Your baby is beginning to open up to the world. Many are already sitting up unassisted, pulling up to standing, and maybe even taking their first steps! You and your baby will participate in play-based activities which support cognitive, fine- and gross-motor and social development while you learn solutions to common parenting challenges.

YOUNG EXPLORERS

(18-24 months) **Tuesdays** | 9:30-11:30 am

Thursdays | 9:30-11:30 am

Toddlers explore and discover through music, art, outside time, and sensory play while learning and practicing social skills.

MOVERS AND SHAKERS

(11-18 months) **Tuesdays** | 9:30 -10:45 pm *New*

(11-18 months) **Thursdays** | 12:45-2:00 pm

Your energetic toddler is on the move and ready to play, play, play! In this class your child will share experiences through sensory, art, circle and story times.

LAP BABIES *FREE Class*

(6 weeks-6 months) **Tuesdays** | 1:00-1:45 pm

You are a new parent and delighting in your amazing newborn's discoveries each day. Lap Babies is a class where you will meet other parents, find solutions to parenting challenges, and share special times with your newborn in a fun-filled setting. We will sing, read, learn massage techniques, and play with our infants all while enjoying opportunities to develop new friendships.

BRIGHT BEGINNINGS

Transition Class *New*

(20-30 months) **Wednesdays & Fridays** | 9:00 am-12:00 pm

This is a parent-cooperative program designed to support children as they transition to preschool. Children will learn to make friends, seek help from adults, separate from their parents or caregivers, and participate in a preschool class in a Reggio-Emilio inspired environment. Parents and caregivers will learn about the cognitive, physical, and socio-emotional development of toddlers.

Students will attend with a caregiver for the first 2 weeks, and then begin separation. We will start with a few minutes at a time and work up to a drop-off class, depending on the pace and comfort level of the child and the caregiver. We will always have a minimum of half the caregivers in the room, alternating days. In other words, each caregiver commits to helping in the class one day a week and has the opportunity to drop off their child one day per week, after the introductory period.

MUSIC TOGETHER®

(Birth - 4 years)

Tuesdays | 4:30-5:15 pm

Tuesdays | 5:30-6:15 pm

Wednesdays | 10:45-11:30 am *New Day*

Wednesdays | 12:45-1:30 pm *New Day*

Music Together® is an internationally-recognized, early-childhood program based on the philosophy that all children are musical. Tuition includes a beautiful illustrated song book and a CD set. Siblings over 8 months old are 50% off; siblings under 8 months are free (with 1 paid registration). Music Together® is a registered trademark. TBS is licensed by Music Together® LLC. www.musictogether.com

YOGAMUSIC DANCE

(3-24 months) **Fridays | 11:15 am-12:00 pm**

YogaMusic Dance is a unique class that introduces a new dimension of world music and instruments while you explore new movements with your baby. Bring your baby backpack/carrier to use during class for dances and yoga. Loose clothes are recommended, and you can bring your own music to share with class.

AFTER SCHOOL ENRICHMENT

Temple Beth Sholom

August 28-December 22

ART PORTFOLIO

Tuesdays | 4:30-5:30 pm (Grades 4-8)

with David Sexton

An art class for everyone interested in developing or improving their artistic abilities, but focused especially on developing art portfolios for art schools like Miami Arts Charter School (MAC), Design Architecture Senior High (DASH) and others. Professional artist David Sexton, the owner of the Miami Beach Painting with a Twist Studio, has worked as an artist for MARVEL COMICS and DC Comics. The class will be fun, but focused on achieving goals!

ARTISTS IN ACTION

Thursdays | 2:15-3:15 pm (PK & K)

Thursdays | 3:30-4:30 pm (PK-3)

with Liset Leyva

Children will draw, paint, sculpt, do ceramics, construct, discover and create! Emphasis is on imagination, originality and self-expression. All materials are included.

BASKETBALL

Thursdays | 2:15-3:15 pm (PS-K)

with Cyclone Soccer Inc.

We offer the skills and drills that make your "future NBA champion" a lean, mean, dunking machine! What's more fun after school than shooting hoops with your friends?

BOOK CLUB

with Monda Gjeka-Arch

Fridays | 2:15-3:15 pm (Ages 3-5)

Children choose a different book every week, followed by a hands-on art, sensory, or learning activity. Children work on concepts such as parts of a book (beginning, middle and end), authors, illustrators, plot, characters and phonetic awareness.

BOTANICAL GARDENING

with Feliza D'Abreu

Tuesdays | 3:15-4:15 pm (PK-1)

This will be a growing experience where children will learn the basic skills of gardening, composting, garden tools, ecology, environmental awareness, earth science, geography, math, language and horticulture. Children will explore different seeds and plants and will plant different vegetables and herbs that, once they grow, will be used in our cooking classes and school lunches.

CAPOEIRA DO SHOLOM

with Lucky Bruno

Thursdays | 3:30-4:30 pm (PK-1)

A new, exciting experience! Capoeira is a Brazilian martial art that combines elements of dance, acrobatics and music. Children will learn the fundamentals of this incredible cultural exchange. They will participate in learning how to use their bodies through space in new and challenging ways. The class will also be, in part, a music lesson. Your children will take turns singing and playing traditional Capoeira instruments like the Tambor, the Shakeré', and the Berimbau. Taught by Coach Lucky Bruno and special guest "Maestros."

CHEERLEADING

Fridays | 2:15-3:15 pm (PK-1)

with Expressions of Talent

In this class your child will participate in tumbling and dancing activities, learn basic cheers, and build beginner acrobatic-stunt skills. This is an opportunity for any child who is interested in perfecting their skills in a fun, non-competitive environment.

CHESS

Tuesdays | 3:15-4:15 pm (PK-3)

with Robert Ramirez

This program will challenge students in areas such as problem-solving, patience, concentration, creativity, logical thinking and team work. This unique program, designed by National Master Robert Ramirez, makes every class fun and dynamic for both beginners and experienced players of all ages.

CODING

Fridays | 3:15-4:15 pm (Ages 5-11)

with D.P.B. Robotics

Coding is an activity that teaches children in a basic way how to learn fundamental programming concepts, like variables, loops, functions, and principles of computational thinking. Children will create different fantastic video games, logic games, puzzles, phone apps, fun challenges, character builder and much more.

DIESEL DANCE

Tuesdays | 2:15-3:15 pm (PK & K)

Fridays | 2:15-3:15 pm (Ages 2 & 3)

with Barbara Schpilberg

Bring out your child's creativity through dance, music and movement. This class incorporates scarves, maracas, tambourines and more for rhythm and creative expression. Various types of music are used.

ECO-TOT-ART

Thursdays | 2:15-3:15 pm (Ages 2 & 3)

with Lee Friedman

Children take part in caring for our planet by using recycled materials to create their own planet-inspired masterpieces. All materials are included.

GUITAR

Thursdays | 2:15-3:15 pm (PK-1)

with Oren Maisner

Learn to rock the six string while playing Top 40 songs and classic rock. In addition, the basics of music theory will be taught. Class curriculum will consist of working on ear training, reading music, performance and form. Students are encouraged to use their creativity while having fun!

GYMNASTICS

Mondays | 2:15-3:15 pm (PS-K)

with Expressions Of Talent

This energetic class will feature basic tumbling, balancing and movement activities. Children will have warm-up time. Yoga routines are included to enhance proper breathing and relaxation.

INTERNATIONAL GOURMET COOKING

Mondays | 2:15-3:15 pm (PK-1)

Tuesdays | 2:15-3:15 pm (Ages 2 & 3)

with Bani Bhalla, Nava Regev and Irma Zelinger

In this class children will cook and learn about foods from different countries and cultures. All classes will be age appropriate and geared towards their maximum development. Children will learn step by step about preparing food. They will also learn about the ingredients being used (where they come from, nutrients, measurement and more). One of the goals is for the children to have hands-on experience and then be able to taste the foods they have worked on. All ingredients will be organic and natural with no artificial colors, and some will be from our own garden!

KIDOKINETICS®

Wednesdays | 2:15-3:15 pm (PS-K)

Kidokinetics® offers a great selection of sports and games that enhance gross motor skills, coordination and enhance gross motor skills, develop coordination, and encourage teamwork.

MANDARIN

with Wendy Fong

Mondays | 3:15-4:15 (PK-1)

This is an interactive program where children will learn the basics of the Mandarin language, setting a foundation for future language development and advanced learning. They will learn pronunciation with the "Pin Yin" system and emphasizing on the tones. This class goal will be for children to speak short sentences, count, name family members, colors, animals, and basic daily courtesy words. This class will also incorporate cultural knowledge experiences like cooking and making chop sticks. Audio and visual technology will impact in the children's learning. Taught by Wendy Fong, an experienced teacher who has been working with children and adults for more than 20 years.

MIND LAB®

Mondays | 3:15-4:15 pm (PK-1)

Mind Lab® is an innovative program developed in Israel that uses an internationally acclaimed selection of strategy and mind games to enhance 21st century life skills and teach students *how* to think, rather than *what* to think. Our games selection includes more than 250 award-winning games such as: Quoridor, Rush Hour, Octi, Zoologic, Abalone and many others. A unique approach endorsed by Yale University. To learn more about Mind Lab visit: www.mindlabsf.com

MINI ROBOTICS

Fridays | 2:15-3:15 pm (PK-1)

with D.B.P. Robotics

A kid-friendly engineering program that entices children to explore the world of engineering, technology and robotics. Explore mechanical engineering associated with structures and machines including, robots! Structures such as bridges, trusses and arches, cantilevers as well as different machines such as wedges, incline planes and gears will be explored in depth.

MORE THAN ABC

Tuesdays | 2:15-3:15 pm (Ages 3-5)

with Monda Gjeka-Arch

We help develop early literacy skills such as letter recognition, beginning sight vocabulary, and phonemic awareness through small group games and shared reading. Math tutoring uses small manipulatives and games to practice counting, sorting, classifying, and number recognition. Lessons are tailored to the student's competence level.

MUSIC TOGETHER[®]

Thursdays | 2:15-3:00 pm (PS-K)

with Jessica Francouer

Your child will enjoy an artistically-conceived flow of songs, rhythmic rhymes, instrumental jam sessions, finger plays, and movement activities. The combination and types of activities are research-based and support children's developing competence in tonality and rhythm. This class will also feature fun Jewish holiday and traditional songs.

PHOTOGRAPHY

Fridays | 3:15-4:15 pm (PK-1)

with Monda Gjeka-Arch

"Photography is a way of feeling, of touching, of loving." Through photography the children will learn how to utilize the art of capturing moments in time by using light, stories and vision. The lessons will be a unique experience for the children and an opportunity to travel back in time through photography history and much more.

SCIENCE LAB

Wednesdays | 2:15-3:15 pm (PS-K)

Fridays | 2:15-3:15 pm (PS-1)

with Feliza D'Abreu

Your child's imagination and senses will be stimulated by this hands-on class, where we conduct experiments designed to stimulate the imagination and the senses. Children conduct experiments, observe, compare, create, and solve problems in multiple scientific disciplines. All materials

SHOLOM-KWAN-DO

Tuesdays | 2:00-3:00 pm (PS & K)

with Lucky Bruno

Children love this incorporation of aerobics, gymnastics and martial arts. Through fun physical activities, they will develop focus, coordination, strength and discipline.

SKYBEAT KIDS/HIP HOP

(intro/beginner children's hip hop class)

Mondays | 3:15-4:15 pm (PK-1)

The kids get to move, shake, and have fun in a safe environment while listening to some of their favorite songs. Skybeat Kids is for both boys and girls and helps children learn a few cool hip hop dance moves. The class is open to all levels, there is no prior dance experience necessary. We introduce the kids to games that will help them have a better understanding of rhythm.

SOCCER

Mondays | 2:15-3:15 pm (PS-K)

with Cyclone Soccer Inc.

Soccer provides an escape for physical fun and promotes cooperation, team play and spirit.

SPANISH

Wednesdays | 2:15-3:15 pm (PS-K)

with Nancy Pasternak

In this interactive class, children learn basic Spanish vocabulary by identifying objects, playing games, reading stories and singing songs. Introducing a new language at a young age sets the foundation for future language development and acceptance of other cultures.

STUDIO FOR PRE-TEENS

Thursdays | 4:15-5:15 pm (GR 2-8)

with Liset Leyva

Learn a variety of techniques in this multi-media class with ceramics & wheel throwing, painting, drawing, mosaics, sculpture and more. All materials are included.

TENNIS

Mondays | 2:15-3:15 pm (PK-1)

with Marcelo Lopez

This introduction to tennis is an excellent way for children to learn this great sport. Games and activities will provide in-depth development of hand/eye coordination, an essential skill for mastering tennis. All equipment included.

YOGA MUSIC

Wednesdays | 2:15-3:15 pm (PS-K)

with Cynthia Zak Preuss and Lee Friedman

Improve your all-around well-being by incorporating exercise, stretch, relaxation, and ways to explore new movement. Yoga Music is filled with games, laughter, poetry, music, songs, and tons of yoga poses.
