

TBS/S Brit, Our Social Contract

Our TBS/S Community is a family. As a family, we value and rely on honest and open communication with one another. Our collective behavior will be the primary determinant of whether we can keep this virus in check in our Community.

We all know that we need to get back to our lives and doing so safely will take deep wells of patience. We cannot control each other's behaviors and choices, but we can agree to speak to each other openly, and to the fullest extent possible, without judgement. This is an unprecedented time, and we need strong relationships with each other to get through the Covid-19 pandemic successfully.

Having said that, we sign this Brit, this covenant, confirming that we will:

- Mindfully adhere to all current TBS/S Covid-19 policies and guidelines as published and updated, including immediately notifying the school if your child or any member of your household tests positive for Covid-19 or presents with any one or combination of the symptoms consistent with Covid-19
- Agree to social distancing and mask-wearing in public
- Adhere to frequent handwashing and sanitation practices in and outside of our home
- Choose extracurricular activities for our family responsibly, where clear Covid-19 policies are in place
- Perform daily health checks, even on non-school days, and agree to self-quarantine if any member of our family, or member of our extended families/staff/friend groups with whom we are not practicing social distancing with is symptomatic with Covid-19 related symptoms or has come in close contact with someone who has tested positive for Covid-19
- Consider sharing openly with your class, if you are comfortable, if anyone in your family has tested positive for Covid-19 or has come in close contact with someone who has tested positive in order to de-stigmatize the situation, reduce rumors and help us support each other
- Closely monitor our entire family for symptoms during and after any travel, and will carefully respect social distancing, particularly after airline travel

We are grateful to have a safe and nurturing 'second-home' for our children at TBS/S, and we will do our part to ensure the health and well-being of our Community.
